

Ajanta Pharma Announces the Launch of Montelukast Sodium Oral Granules

Bridgewater, New Jersey - (November 16, 2015) - Ajanta Pharma USA Inc., a subsidiary of Ajanta Pharma Limited, announced today the launch of Montelukast Sodium Oral Granules (4mg), a bioequivalent generic version of SINGULAIR® Granules, in the US market. Ajanta Pharma offers Montelukast Granules in cartons containing 30 individual sachets.

The approval and launch of the Montelukast Granules is part of an ever-growing portfolio that Ajanta Pharma has developed for the US market. To date, the United States Food & Drug Administration (US FDA) has granted Ajanta Pharma five ANDA final approvals and two ANDA tentative approvals. An additional 19 ANDAs are pending approval from the US FDA.
